Class Teacher: Ms Andrews

Teaching Assistants: Miss Jones and Mrs Parton-Harris

Our Early Years Vision is for all children to be happy, confident, independent, inquisitive and resilient learners.

We can't believe how quickly the last two weeks have flown by. It has been a busy term and children have come on in leaps and bounds already. Today children are bringing home a bag containing work they have done throughout this term that has been displayed, art activities they have done recently, Christmas cards and their red sound books so they can practice the sounds they have already learnt. We will be adding new sounds to this next term. Some children are bringing home a name card so they can practice their name at home. By the end of January I am expecting all children to be able to write their name and form the letters correctly. Please take the opportunity to read as much as possible too.

When we come back children will be bringing home a communication book that is for parents to write any messages in for Reception staff. We will also use the book to send any messages home. This is to help keep the line of communication open between home and school, especially at busy times when I don't always get to speak to parents.

Next term children will also be changing their family colour groups. The current green group will become the yellow group with Mrs Parton, the current yellow group will become the red group with Miss Jones and the current red group will become the green group with Ms Andrews.

The Reception team would like to take this opportunity to thank you all for your continued support and wish you all a very Merry Christmas and a Happy New Year. Enjoy the break!
